## Personalities

CIA director George Bush got undercover — or at least underwear — scrutiny Thursday by Rep. Barry Goldwater Jr. (R-Cal.).

Goldwater picked up Bush's suitcase — mistakenly, says he — when the two men arrived in L.A. on the same Washington flight.

"It turns out we have the same identical suitcases," Goldwater said. "I saw what I thought was mine and just grabbed it and left. I didn't realize it until this morning when I looked for my shaving kit."

Goldwater was asked what insights he had gained into Bush's personal habits. "I've got to say he packs very neatly," he said, secretively.
